

BUSINESSEUROPE

BUSINESSEUROPE is the leading advocate for growth and competitiveness at European level, standing up for companies across the continent and campaigning on the issues that most influence their performance. A recognised social partner, we speak for all-sized enterprises in 34 European countries whose national business federations are our direct members. The organisation is headquartered in Brussels at the heart of the EU institutions. It works on behalf of our member federations to ensure that the voice of business is heard in European policy-making. It interacts regularly with the European Parliament, Commission and Council as well as other stakeholders in the policy community. It also represents European business in the international arena, ensuring that Europe remains globally competitive.
