

Ministry for a worth-living Austria

The Austrian Federal Ministry of Agriculture, Forestry, Environment and Water Management (BMLFUW) combines the competences for important topics on the creation and on the preservation of our quality of life and of shaping a future worth living in for our children. In concrete terms, we are responsible for agriculture, forestry, environment and water management. Make use of our offer of information on this page and get informed about the wide range of topics from the BMLFUW.
