

The Institute for Sustainable Development and International Relations (IDDRI)

The Institute for Sustainable Development and International Relations (IDDRI) is a think tank that facilitates the transition to sustainable development and prosperity for all.

IDDRI identifies the conditions necessary for sustainable development to be integrated into public policies and proposes tools for their implementation. It intervenes at different levels, from international cooperation to country, city and company policies.

El Instituto de Desarrollo Sostenible y Relaciones Internacionales (IDDRI) es un grupo de reflexión que facilita la transición hacia el desarrollo sostenible y la prosperidad para todos.

El IDDRI identifica las condiciones necesarias para que el desarrollo sostenible se integre en las políticas públicas y propone herramientas para su aplicación. Interviene a diferentes niveles, desde la cooperación internacional hasta las políticas de los países, las ciudades y las empresas.
