

Acción Empresas

Being part of ACTION means joining a community of companies committed to managing its business in a sustainable way and influence the transformation of Chile's environment and progress in creating a more equitable, just society and happy citizens. Working together for companies to improve the socio-environmental performance of their businesses, with a logic of competitiveness and sustainability. "We are moved by building trust in society that welcomes us. Therefore, we seek to be a space in which various actors sit down to talk with honesty, openness and constructive way."
