

GREEN JUNIORS ENVIRONMENTAL AMBASSADORS

we are climate change enthusiast and members of GREENSLUM INNOVATION HUB (GSIH) based in Embakasi South, Nairobi County Kenya under the umbrella of an environmental organization called Green J. Environmental Ambassadors(GJEA) .we advocate for environment sustainability and climate change capacity building within the marginalized community,specifically slum setup with an aim of improving Nairobi county environmental status from the grass root level through localizing and simplifying climate information from the global discussion to grass root understanding and we also reduce carbon levels by promoting carbon sinks within the community .below is our link to our social page on what we are doing <https://www.facebook.com/greenjuniorsteam>

Relevant Projects

LET'S TALK ABOUT CLIMATE CHANGE - a project that localizes and simplifies climate change

information from the global discussions to grass root understanding which is being guided by

2 established programs

□ SCHOOLS CLIMATE CAPACITY BUILDING NETWORK -a program that mold and informs a young person both in school

and community level into an excellent environmental and climate change ambassador through extensive climate

change exposé and mentorship.

□ GREEN TECHNOLOGY NETWORK-This is a platform that improves the quality of climate change information

sourcing, banking and dissemination to marginalized community through application of innovative social media technology.

Relevant Publications

we have one publication that talks on the infrastructure sustainability
