

Instituto Tecnológico de Santo Domingo [Equipo de Investigación Social (EQUIS)]

The Technologic Institute of Santo Domingo is a Dominican non-profit private higher education institution that was founded in 1972 by a group of academics committed with the social transformation of the Dominican Republic, and with the promotion of a better quality of life for its inhabitants. It is characterized by the innovative and complementary academic offer in the areas of engineering, business administration, health sciences, basic and environmental sciences, and social sciences.
