

Instituto de Estudios Estratégicos y Políticas Públicas (IEEPP)

The Institute of Strategic Studies and Public Policy (Iepp) is an international think tank, founded in 2004. Since its foundation it has been dedicated to the generation of knowledge on public policies related to security, defence, transparency, human rights and public budgets.

The institute contributes to the strengthening of the capacities of political, state and social actors, and to a better informed public opinion, through rigorous research and analysis related to its work themes.

The Iepp team is made up of professionals from the social sciences, economics, international relations, political science, anthropology, law, with an emphasis on human rights, and social communication; all committed to the institute and to the construction of more just, democratic and inclusive societies.
