

# Taller de Estudios Internacionales "Jose Luis Bustamante y Rivero" | Universidad Nacional Mayor de San Marcos

This academic project was born in the classrooms of San Marcos with the contribution of students, graduates and teachers specialized in International Public Law and International Relations.

## Mission

To promote research on different aspects of international policy, international relations and public international law, as well as the analysis of the United Nations system, its organs and specialized agencies, in order to understand the current challenges of the international system.

To encourage the study of international issues through the analysis and application of international law and international relations.

To disseminate our research in academic spaces within the Faculty, the University and society in general, through the writing and publication of articles and papers.

To apply our knowledge through our participation in the Model United Nations (MUN) organized by universities at the national and international level.

To strengthen the academic and professional level of our members and contribute to their specialization in International Law and International Relations.

## Vision

We seek to be a Civil Association as an Academic Network specialized in International Public Law and International Relations that contributes at the professional level.
