## European Union, Latin America and the Caribbean

### Young Scientists' Networks Days 2022

14 - 18 March 2022

### Programme

The illustration features a world map with a light blue background. In the foreground, there are two scientists: a Black woman on the left holding a test tube and a white man on the right holding a flask. Between them is a whiteboard with a DNA helix and some chemical structures. The EU-LAC logo is positioned above the map.
