

III EU-LAC Youth Days

- Survey analysis -

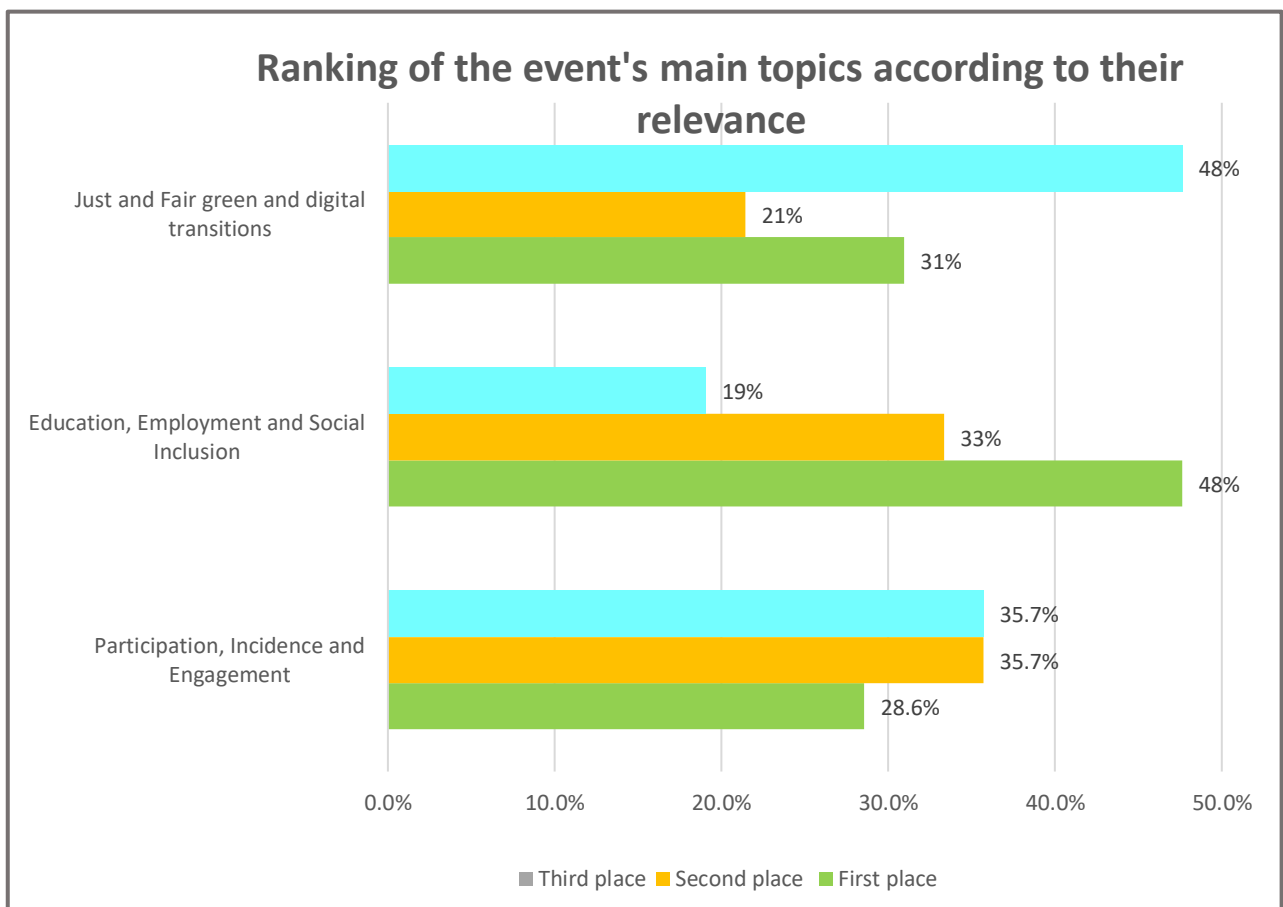

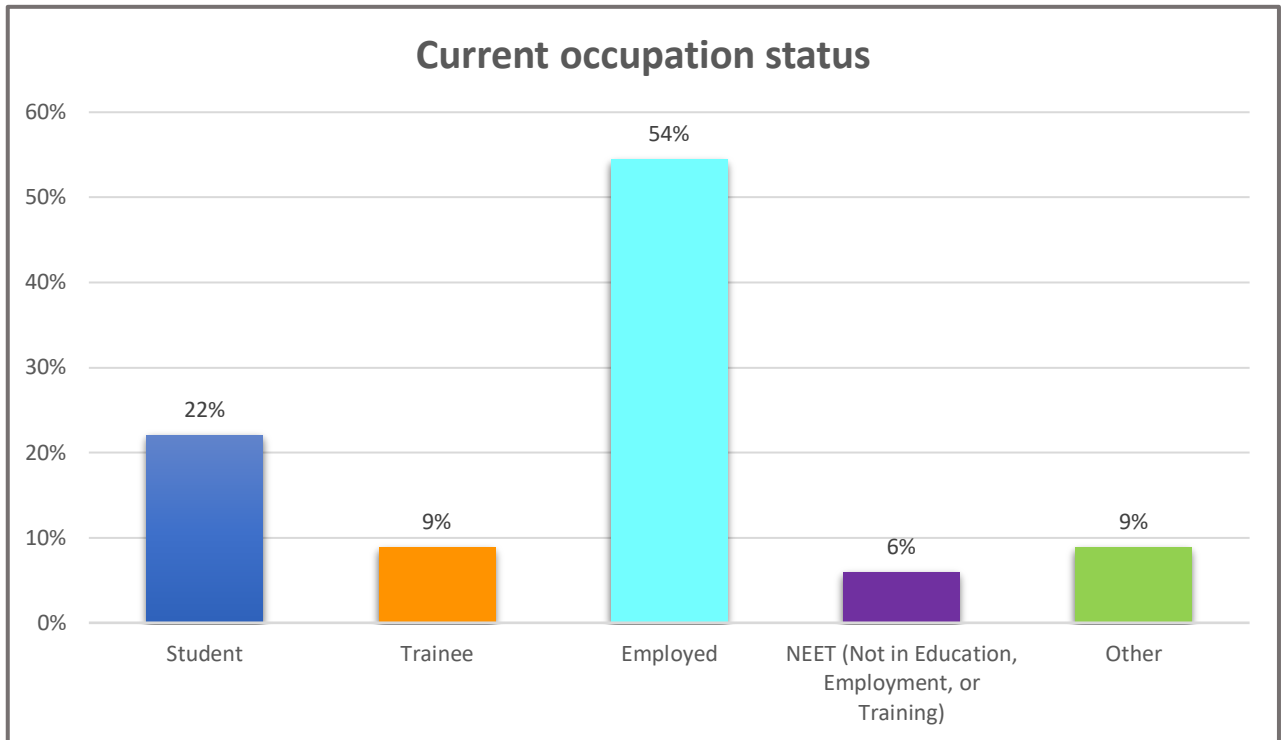

In order to facilitate an inclusive mode of participation in the III EU-LAC Youth Days, the EU-LAC Foundation with the support of the European Commission formulated an online survey in English and Spanish aimed at systematising the opinions of ca. 70 young people from both regions who provided feedback on the main themes of the event. The main results are detailed below:

La Fundación EU-LAC se financia por contribuciones de sus miembros y, en particular para esta actividad, de la Unión Europea y el Ministerio Federal de Relaciones Exteriores de Alemania

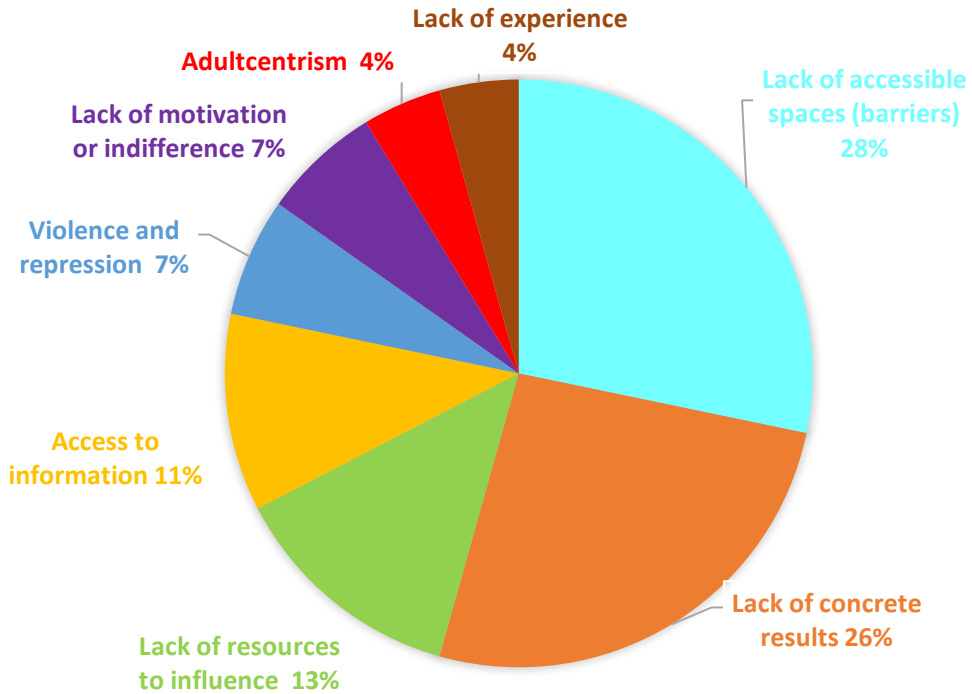

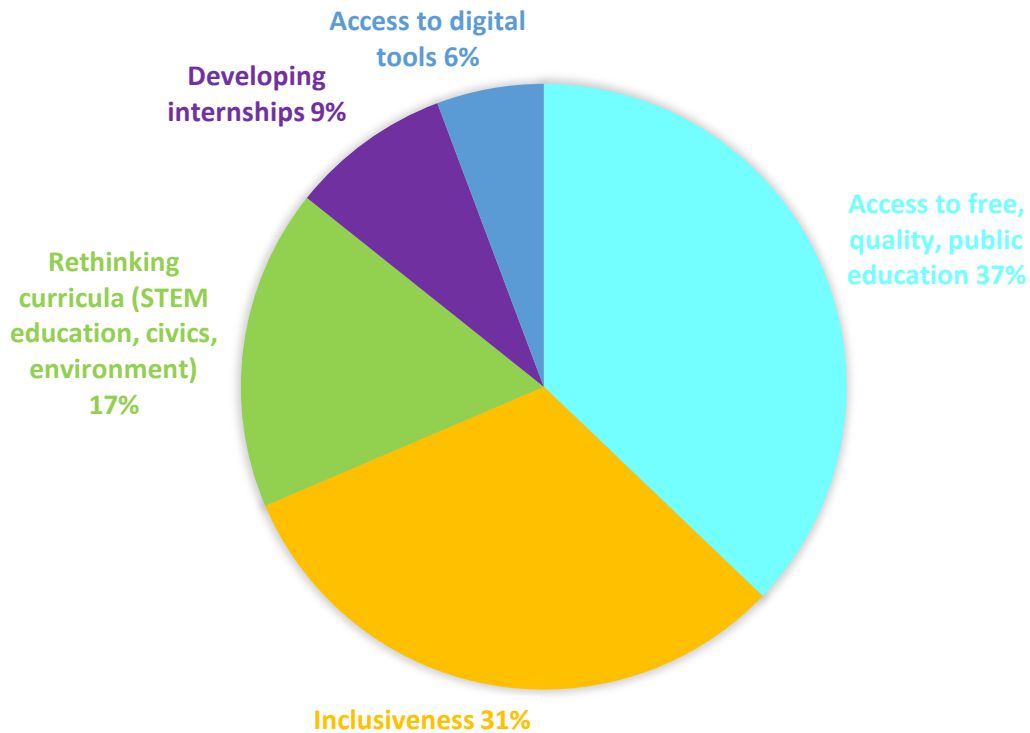

La Fundación EU-LAC se financia por contribuciones de sus miembros y, en particular para esta actividad, de la Unión Europea y el Ministerio Federal de Relaciones Exteriores de Alemania
